INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §1.97(c), the undersigned would like to make the following prior art references of record in the above-identified patent application. An office action has already been received but no final action or notice of allowance has been received. The undersigned believes that these references are not material to the examination of this application and in respect of which there may be no duty to disclose in accordance with 37 C.F.R. §1.56. However, since the definition of materiality under the revised rules is still subjective, these references are being submitted to the Examiner so that he can make his own judgment regarding their materiality.

While this Information Disclosure Statement may contain material information pursuant to 37 C.F.R. §1.56, it is not intended to constitute an admission that any individual reference referred to herein is prior art to the invention disclosed and claimed in the above-identified patent application.

Each reference listed herein may be accompanied by an explanation of its relevance.

While this explanation is believed to generally reflect the contents of the references which the

undersigned believes a reasonable examiner might consider relevant and material to the examination of the above-identified patent application, it is not intended that the examiner rely on the description as unfailingly accurate or complete. A copy of each reference is enclosed for the express purpose of providing the examiner with an opportunity to perform an independent evaluation to arrive at an independent assessment of its relevance and materiality, if any, to the claimed subject matter.

The fee required by 37 C.F.R. §1.17(p) is enclosed herewith.
